Summary Annual Report

WHAT IS THE SUMMARY ANNUAL REPORT

The Summary Annual Report (SAR) is literally a summary of the annual financial report for the ABC-NABET Retirement Trust Plan. This document gives important financial information about the trust fund including contributions received, benefits paid out and other expenses related to the administration of the trust.

This is a summary of the annual report for the ABC-NABET Retirement Trust Fund, EIN 14-1284013, Plan No. 012, for the period January 1, 2006 through December 31, 2006. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided through a trust fund. Plan expenses were \$31,621,515. These expenses included \$5,579,323 in administrative expenses and \$26,042,192 in benefits paid to participants and beneficiaries. A total of 3,020 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$667,891,367 as of December 31, 2006, compared to \$622,736,953 as of January 1, 2006. During the plan year the plan experienced an increase in its net assets of \$45,154,414. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$76,775,929 including employer contributions of \$4,273,899 employee contributions of \$362,526, realized gains of \$6,049,939 from the sale of assets, and earnings from investments of \$63,358,387.

Minimum Funding Standards

An actuary's statement shows that enough money was contributed to the plan to keep it funded in accordance with the minimum funding standards of ERISA.
